HAIR TONIC For LADIES, MEN and CHILDREN.

Everyone likes to have beautiful hair, and since it adds so much to one's appearance it is well to look after this very important requisite of beauty and refinement.

A simple tonic easily prepared is made by mixing with one pint of soft water a half-ounce of Concentrated Hairward Powder. This amount of liquid will last for a long time and should be rubbed into the scalp thoroughly once or twice a day.

For beard or eyebrows this simple mixture is unexcelled. It acts as a bracing tonic to the hair cells, which, in turn, renew and stimulate the hair and keep it from turning grey and falling out. It makes your scalp feel fine and clean. It is entirely free from oils of any kind and acts so surely in producing beautiful hair that you'll think some good fairy has been to visit you after you have used it several times.—Adv.

PRETTY SCHOOLGIRLS SING TO MISS WILSON AT BENEFIT FOR BIRDS

President's Daughter Guest of
Honor at Washington
Irving School's Play

Miss Wilson, who was a guest of honor at the Washington Irving School's play, was the daughter of the President.

Not many in the audience knew that the slender figure in black down in the fifth row was Miss Margaret Wilson, daughter of the President.

The object of the performance, which was arranged by the biology and the physical training departments of the school, is to start a fund for the preservation of trees and the building of bird houses in Stuyvesant Park, near the school.

Miss Sarah Burnett and Miss Rosemary Mullen, the teachers responsible for the success of the evening, announced that the performance had netted the school \$350.

The fund will be used for the purchase of trees and the building of bird houses in Stuyvesant Park, near the school.

HOW I DARKENED MY GRAY HAIR

Lady Gives Simple Home Recipe That She Used to Darken Her Gray Hair.

For years I tried to restore my gray hair to its natural color with the prepared dyes and stains, but none of them gave satisfaction and they were all expensive. I finally ran onto a simple recipe, which I mixed at home, that gives wonderful results. I gave the recipe, which is as follows, to a number of my friends, and they are all delighted with it.

To 7 ounces of water add a small box of Barbo Compound, 1 ounce of bay rum and 1/2 ounce of glycerine. Use every other day until the hair becomes the required shade, then every two weeks. It will not only darken the gray hair, but removes dandruff and scalp humors, and acts as a tonic to the hair. It is not sticky or greasy, does not rub off and does not color the scalp. You can prepare it at home at very little expense.—Adv.
